## WHAT'S INCLUDED

### **CUSTOM PM SCHEDULING**

Built around your duty cycle and mileage. Reminders before each unit is due.

### **PRIORITY BAY ACCESS**

Fleet customers get priority scheduling. You don't wait behind walk-ins.

### **CONSOLIDATED BILLING**

One invoice for the whole fleet, monthly. Net-30 terms available.

### **PER-UNIT SERVICE HISTORY**

Digital records by truck: mileage, parts, technician notes, follow-up items.

### **FLEET PRICING**

Discounted labor and parts pricing for active fleet accounts.

### **DOT COORDINATION**

We track annual DOT inspection dates and schedule them before they're due.

## WHY FLEETS MOVE THEIR SERVICE HERE

- + Downtime tracked and aggressively reduced through real PM, not just oil changes.
- + Honest diagnostics - no parts-cannon repair eating your maintenance budget.
- + A single shop relationship instead of scattered records across multiple vendors.
- + South Dakota location with easy interstate access for over-the-road units.
- + Direct line to a real person who knows your fleet, not a call center.

**TALK TO OUR FLEET TEAM**

We'll build a program around your operation.
